Broadcasting House has a slot in its programming schedule for the next big TV hit. Each team will be provided with cameras, props, costumes, hats, wigs and must write, produce and film a pilot episode of a new programme to impress the judges!

Teams must exercise their creativity whilst attempting to produce a riveting piece of television that will hold their audience spellbound.

Choose from one of the following Filming Events;

**Breaking News** – Film the fast moving action of a newsroom making today's latest news.

**Make It A Reality** – Create a short pilot episode for the next generation of reality based televisual entertainment.

**Shopping Telly Superstars** – Script, film and present a pilot sales programme showcasing one of a range of products in a shopping channel style.

Good communication, teamwork, decision-making, innovation, humour and use of imagination are essential to produce the best piece, which will have a 'big screen' preview and be put to a panel of judges.

Why not continue the event into the evening? The premiere showing of your Filming Event is a fantastic after dinner entertainment option and can be used to enhance a Hollywood Awards Theme Night.
